ABOUT RHYTHMS

The "**Rhythms of Unity**" project aims to establish a transformative approach where folk dances are utilized as a dynamic tool for fostering peace and inclusion among migrants. This initiative aspires to transcend the traditional role of dance as mere entertainment, reimagining it as a potent medium for social integration, peace-building, and cultivating mutual respect across diverse communities.

Central to this vision is the development of a comprehensive guide and toolkit tailored for dance educators and social workers. This resource will offer practical methodologies for leveraging dance in various contexts to enhance migrant integration and community cohesion.
